Procurement Strategy | Public Sector Procurement | Process Improvement | SCMP Candidate

Canadian Citizen | English & Arabic | Calgary, AB | +1-825-437-0491 | idar.nouti@gmail.com | linkedin.com/in/idarnouti

Summary

Supply chain and procurement professional with 20+ years leading procurement strategy, sourcing, contract management, and logistics for public sector, mining, petrochemical, and distribution organizations in Canada and the Middle East, including three years in-house in Calgary. Experienced across the full procurement cycle, from planning-phase support and RFP/RFQ tendering to contract award and supplier performance management. Advisory background with KPMG, PwC, Kearney, and Argon & Co.

Key Achievements

- **Public Sector Transformation:** Led a government authority's procurement transformation (DASC, KPMG), reaching 95%+ regulatory compliance and a 25% efficiency gain.
- **Data-Driven Executive Recommendations:** Turned a contract lifecycle gap analysis into an approved platform recommendation for Ma'aden; upskilled 100+ staff and cut contract cycle times by 30%.
- **Fair, Defensible Procurement:** Designed PwC's ENSO framework for standard RFP evaluation and award, cutting selection and negotiation cycles by 25%.
- **Inclusive Sourcing:** Onboarded 15+ small and minority-owned businesses through a Supplier Diversity Program while improving service delivery by 12%.

Core Competencies

- **Procurement & Sourcing:** Strategic Sourcing, Purchasing, Direct & Indirect Procurement, Procure-to-Pay (P2P), Category Management, Spend Analysis, MRO Procurement, Materials Management
- **Contracts & Suppliers:** Contract Lifecycle Management (CLM), RFP/RFQ & Tender Management, Contract Negotiation, EPC/EPCM Contracting, Public Sector Procurement, Total Cost of Ownership (TCO), Supplier Relationship & Performance Management, Vendor Management, Supply Chain Risk Management
- **Operations & Logistics:** Inventory Management, Warehousing, Logistics & Transportation, Demand Planning & S&OP, Regulatory & Trade Compliance, Continuous Improvement (Lean)
- **Systems & Analytics:** Procurement platform selection and implementation advisory (SAP Ariba, Coupa, Oracle, PeopleSoft), Vendor Management Systems, KPI Reporting, Power BI, Advanced Excel
- **Leadership:** Executive Stakeholder Engagement, Cross-Functional Team Leadership, Budget Management, Change Management

Professional Experience

Supply Chain & Procurement Consultant (Independent)

Elements Consulting | Calgary, AB | 05/2025 – Present

- **Supply Chain Thought Leadership:** Founded and lead #SupplyLinker, a LinkedIn content series making supply chain and procurement concepts accessible to professionals and career changers, generating 1.5M+ views.
- **Practice Development:** Building a consulting offering in procurement strategy, contract management, spend analysis, and supply chain resilience.

Director – Supply Chain & Procurement (Contract)

KPMG | Saudi Arabia | 05/2024 – 05/2025

- **Contract Lifecycle Management & Governance:** Executed a CLM gap analysis and best practice redesign for Saudi Mining Company (Ma'aden), advising on enterprise CLM platform selection and leading change management programs that upskilled 100+ procurement personnel and reduced contract cycle times by 30%.
- **Procurement Transformation & Compliance:** Directed a full-scale procurement transformation for the Development Authorities Support Centre (DASC), overhauling processes, technology, and governance frameworks to achieve a 25% gain in operational efficiency and 95%+ regulatory compliance.

Regional Supply Chain Manager

Liquidation Warehouse Canada | Calgary, AB | 04/2021 – 03/2024

- **Procurement Operations:** Implemented an enterprise Vendor Management System (VMS) to align supplier relationships and streamline material delivery, driving a 20% reduction in lead times and improving end-to-end supply chain responsiveness.
- **Inventory Management & Warehousing:** Optimized warehouse layout through continuous improvement, increasing storage capacity by 25% and improving inventory flow and picking accessibility.
- **Commercial Transformation:** Standardized contract templates and vendor governance frameworks, accelerating negotiation cycles and reducing commercial risk across active vendor accounts.

Senior Manager – Supply Chain & Procurement (Contract)
PricewaterhouseCoopers – PwC | Saudi Arabia | 12/2020 – 03/2021

- **Framework Design & Governance:** Designed and deployed the Evaluation, Negotiation, and Selection Office (ENSO) framework to standardize RFP evaluation and tender award decisions, cutting supplier selection and negotiation cycle times by 25%.
- **Process Optimization:** Streamlined procurement and contract management procedures, driving a 15% efficiency gain and, through supplier performance management, an 18% improvement in on-time delivery.
- **Supplier Diversity:** Launched a Strategic Supplier Diversity Program, onboarding 15+ small and minority-owned enterprises and improving logistics service delivery performance by 12%.

Supply Chain Director
Wide Systems for Technology | Jordan | 06/2019 – 11/2020

- **Process Optimization:** Standardized logistics procurement practices within the approved departmental budget, cutting procurement cycle times by 30%.
- **Contract Negotiation & Indirect Procurement:** Ran competitive RFP and RFQ processes and led negotiation of key IT and logistics/freight contracts, driving a 10% reduction in procurement costs.

Senior Manager – Supply Chain & Procurement (Contract)
Kearney | Saudi Arabia | 01/2019 – 06/2019

- **Customs Modernization:** Led cross-functional teams to redesign customs processes and deploy a digital platform, accelerating clearance times and improving trade compliance and import/export accuracy.
- **Cross-Border Logistics:** Developed operational frameworks for the TIR transit system, driving a 72% reduction in land transit times between Saudi Arabia and neighbouring Gulf countries.
- **Regulatory Alignment & Change Management:** Benchmarked customs regulations against international standards and led stakeholder readiness programs to accelerate platform adoption.

Senior Consultant – Supply Chain & Procurement
Devoteam | Saudi Arabia | 01/2016 – 12/2018

- **Corporatization & Commercial Model:** Transformed the IT department of the General Authority of Civil Aviation (GACA) from a cost center into a revenue generating business unit, redesigning sourcing, contracting, and logistics for airport operations.
- **Supply Chain Governance:** Designed a unified supply chain process framework for the Saudi Ministry of Defence across all divisions, standardizing vendor governance and eliminating operational silos.

Senior Consultant – Supply Chain & Procurement
Argon & Co | Saudi Arabia | 01/2012 – 12/2015

- **Supplier Diversification & Market Intelligence:** Conducted spend analysis and market research to identify and onboard new suppliers, expanding regional logistics infrastructure and opening cost-effective sourcing channels.
- **Supplier Governance Frameworks:** Architected end-to-end supplier management frameworks, including prequalification criteria, contract protocols, and evaluation systems, to strengthen supply chain reliability and governance.
- **Commercial Negotiation & Savings:** Partnered with cross-functional teams to manage tenders and negotiate strategic procurement contracts, driving a 10% cost reduction with full regulatory compliance.
- **Vendor Performance Optimization:** Designed and deployed a vendor scorecard system to benchmark supplier performance, driving a 20% improvement in vendor accountability and service delivery quality.
